NOTE: Nothing more than a simple statement is required. The examiner will determine only whether the statement contains the required language and will not make any comment as to whether or not it appears that there was in fact a deceptive intention. M.P.E.P., § 1481, 8th Edition.

NOTE: 37 C.F.R. 1.324 does not require a statement from an inventor who is being deleted that the inventorship error occurred without any deceptive intent on his or her part. It may be useful to have that statement on record anyway. In any event, the statement by the inventor being deleted agreeing to the change of inventorship or stating that there is no disagreement to the requested change is still necessary under 37 C.F.R. 1.324(b)(2).

I, the person who is being added as an inventor by the request being submitted to correct the inventorship of allowed claims in the above-referenced patent application do hereby declare that the inventorship error in failing to include my name as an inventor on this patent application occurred without any deceptive intention on my part.
